**[Note]**

Course Offerings are subject to change  
 In principle, lecture and corresponding practice courses must be taken in the same term when you register for language courses.  
 For JPL/N courses, additional sections will be offered only when the initial sections is full. E.g. Section 2 will be offered when Section 1 is full.  
 JPL/JPN Japanese Practice courses are available only for P/F evaluation.  
 JPN courses are available only for non-Japanese degree-seeking students.  
 TLP courses may not be counted toward graduation. TLP courses are offered for students to pursue a Teacher's License in Japan. Most of the courses are instructed in Japanese.
